BOARD RECOGNITION FOR EXCEPTIONAL ACCOMPLISHMENTS

The Millwood Board of Education appreciates the diligent efforts made by its members, staff, students and citizen volunteers in achieving and exceeding the school district's goals and objectives. The Board is mindful also that, frequently, there are exceptional achievements and contributions made by persons representing our schools, which favorably reflect on the whole character of the district. These are the people who accept demanding challenges and set new and higher standards of dedication for the rest to follow.

It is the Board's intent to grant official recognition for such outstanding accomplishments on behalf of the District.

Notification of meritorious deeds that qualify for district-wide recognition will be made to the Board through the Superintendent's report. One form of recognition will be the adoption of a resolution citing such service(s) or accomplishment(s). Other noteworthy achievements that bring attention to the individual school(s) will be handled by the respective school in accordance with its own policy.

When the occasion warrants a public presentation, the Board will invite said individuals or groups to the Board meeting at which they will be commended.
