### **Relations With Booster Organizations**

The Board shall authorize the superintendent and other administrative personnel to work with parents/officers, select staff (sponsors, directors, coaches, etc.), and students of the booster organizations to develop goals and objectives that will unite efforts that will secure for all students of the Millwood Public School District the highest advantage of involvement and participation in physical, mental, social, and spiritual activities. To ensure that parents and involved students are informed of expectations, activities, events, dates, and locations of all activities, program procedures will be encouraged.
